## INFORMED FINANCIAL CONSENT - PROCEDURES

Dear Patient

Dressing and procedural services are provided at our rooms by our doctors and nurse. In order to continue to provide our high standard of service delivery a 'Treatment Room & Equipment Fee' applies to the majority of services performed in the treatment room. The specific amount will vary depending on the service provided. Dressing fees range from \$5 to \$20. Procedure fees range from \$30 to \$60 and will be determined by the amount of time spent by the team and the type and quantity of consumables used.

Unfortunately these fees are not recoverable from Medicare and are payable on the date of the service.

Please speak to our nurse or your doctor if you require any further clarification in this regard.

### PATIENT DECLARATION

I, ..... (Patient) hereby acknowledge that I have been informed that a Treatment Room Fee will apply for services rendered in the Denmark Medical Centre treatment room.
